Dear Dr. Barry:

Please be advised that the American Trucking Associations, Inc.'s comments to ONAC Docket 81-02 (Medium and Heavy Trucks) dated April 24, 1981 contains an error on Page two. The eighth line of the second full paragraph on Page two contains the amount \$.51 per mile. That figure should be .51 cent per mile (¢.51 per mile).

We deeply regret the error and hope that the proper correction is made. Thank you.

Sincerely yours,

James R. Barr
